

Everyone knows a squeeze means love.

Introducing an exciting new treat to bring dogs closer to their people!

It's been a long time (even in human years) since an exciting new treat has been introduced for dogs. Hedda's Squeeze Treats offer a nutritious way for you to connect with your best friend. They're made from fresh, human-grade, all-natural ingredients, and because they need your help to be squeezed in your dog's mouth, it's a great way for you to bond with your dog!

- ✓ All-natural, human-grade ingredients: just salmon and pumpkin
- ✓ High in fiber, omega-3 acids, and vitamins C and E
- ✓ Convenient, easy-to-carry package
- ✓ You control portion size
